

Knuth Lorenzen

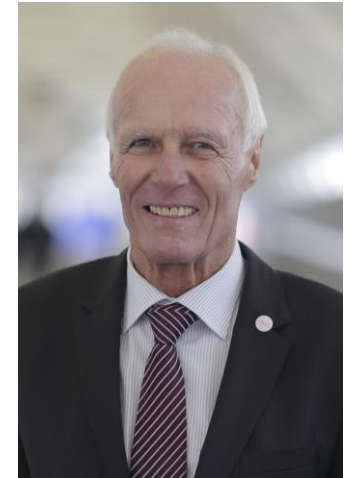

Knuth Lorenzen was born and educated in Hamburg/Germany and graduated in 1971 as mechanical engineer in Hamburg.

He started his career in the powder business with pneumatic conveying machinery. In 1985 he joined GEA-Tuchenhagen as Export Manager, putting the idea of hygienic design on his flag.

In 1995 he changed over to the USA to lead the GEA-Tuchenhagen subsidiary as its President. 1997 he returned to Germany to lead the key customer group For GEA TDS.

He is a member of the EHEDG (European Hygienic Engineering & Design Group) since 1992 and guided the EHEDG as its President from 2007 to 2015.

Knuth gives lectures on all aspects of Hygienic Design, is member of the EHEDG Executive Committee, Chairman of the Training & Education Working Group, Member of the 3-A Steering Committee and Expert in Hygienic Design Enquiries (www.hygienicdesign.com).
