

EHEDG Advanced Course on Hygienic Design

22-24 October 2017
St. Petersburg, Russia

Day 1	Topic	Lecturer
10:30 - 11:00	Welcome; Introduction speakers panel; participants; program	
11:00 - 12:15	Legal Requirements	Mark Shamtsyan
12:15 - 12:30	Coffee break	
12:30 - 14:00	Hazards in hygienic processing	Vladimir Kakurinov
14:00 - 15:00	Lunch	
15:00 - 16:30	Hygienic design criteria	Vladimir Kakurinov
16:30 - 18:00	Material of construction	Mark Shamtsyan

Day 2	Topic	
9:30 - 10:15	Welding stainless steel	Vladimir Kakurinov
10:15 - 11:00	Static seals and couplings	Mark Shamtsyan
11:00 - 11:30	Coffee break	
11:30 - 13:00	Cleaning and disinfection	Vladimir Kakurinov
13:00 - 14:00	Lunch	
14:00 - 15:00	Valves	Mark Shamtsyan
15:00 - 15:45	Pumps and homogenizers	Mark Shamtsyan
15:45 - 16:30	Building and process layout	Vladimir Kakurinov

Day 3	Topic	
9:30 - 10:30	Installation and maintenance. Lubricants	Mark Shamtsyan
10:30 - 11:15	Verification of hygienic design. Test methods. Certification	Vladimir Kakurinov
11:15 - 12:15	Break	
12:15 - 13:00	Student course evaluation	
13:30	Announcing test results
