Fees for Granting, Prolongation and Renewal of EHEDG Certificates

The following schedule of fees shall be paid to EHEDG for the category of certificates issued.

Due Dates	Fee
Initial fee for first issuance or renewal of a certificate (Fee includes the first annual prolongation following issuance or renewal.)	500 EUR
Fee for annual prolongation of old certificates	150 EUR

All above mentioned fees are not discountable.

The initial certificate will be sent to the client and published in the "Certified Equipment" list on the EHEDG website upon payment of the invoice

In subsequent years starting from the year after initial issuance of the certificate and for a period of maximum four years, annual prolongation invoices will be issued each on 30 September, unless the certificate is cancelled by either of the parties in advance for whatsoever reason. In case of non-payment of the annual prolongation invoice, the certificate will be deleted from the EHEDG website effective 31 December of the same year.

An initial invoice will be issued after renewal of the certificate which will remain published in the "Certified Equipment" list on the EHEDG website. The process will be continued by above steps as required.
