

Authorised Trainer

Anthony Chemaly

- With over 30 years of expertise in food safety and quality assurance, Anthony Chemaly is an experienced food safety specialist. As CEO of IBL Africa, he has transformed the company into a premier provider of Food Safety Management System Auditing and technical support for major retailers in Africa and Europe.
- Anthony has 24 years as a food safety auditor, with experience of audits across Africa, Asia, North America, and Europe. His extensive experience spans retail, hospitality, and food manufacturing, where he has developed and implemented retailer food safety standards, social compliance protocols, and innovative quality assurance solutions.
- Anthony specialises in allergen management, food fraud prevention, hygienic engineering for Listeria control, and integrating technology into food safety practices. He leads national teams of auditors, manages FSMS implementations, and has achieved a number of certifications and accreditations for IBL Africa.
