

Authorised Trainer

Dirk Nikoleiski

Dirk holds a degree in Food Technology from the Ostwestfalen-Lippe University of Applied Sciences in Germany and brings extensive practical experience from both food manufacturing and corporate environments.

At Kraft Foods and Mondelez International, he held roles including Quality Manager, Project Manager, Business Development Manager, and various Corporate Sanitation positions.

He currently serves as Vice President of EHEDG, is a member of the Sub-Committee Working Groups, and sits on the board of the German Section. In addition, he chairs the Working Group *Basic Principles of Cleaning and Disinfection* and contributes to several other Working Groups.

Dirk was also Food Safety Director at Commercial Food Sanitation (CFS).
